

EDIBLE OIL

PRODUCT CATALOGUE

WE HAVE BEEN INVESTING IN FUTURE FOR 40 YEARS WITHOUT SLOWING DOWN

We keep growing by making sizable investments in various fields such as fuel, property, food, energy, foreign trade, the largest plants found in Turkey, for our country with our forward-looking vision.

ACCORDING TO US, SKILL SPREADS TO THE WORLD

As Kadooğlu Yağ San. ve Tic. A.Ş., we were founded in 2007 with the assurance of Kadooğlu Holding. Our taste journey starting with 650 tons/day in our refinement unit and 1000 tons/day in our filling unit has gained great speed with our investments and we have increased our production capacity rapidly.

We export the sunflower, corn, cotton and olive oils we produce with the same care every day with a strong and dynamic team management to more than 35 countries with the brands of Bizce, Mutfakların Şefi, Mayra, Brinto and Azime. At the same time, we deliver our products to all around Turkey with our 5 regional directorates and our extensive distributorship network.

With our margarine facility investment completed in the beginning of 2014, we are happy to start our activities for both domestic market and export with a capacity of 200 tons/day and to add a solid oil to our portfolio.

Today, as Kadooğlu Yağ, which has the title of being the 1st of Turkey in exports in its sector and 61th in Turkey among all sectors, at the same time, which is one of the biggest vegetable oil factories in the Middle East, we are proud of offering taste and health together to all consumers.

We know that Bizce Oils, which we produce with utmost care, do not only appeal to different tastes and world cuisines, but also offer taste and health together to all consumers. Therefore, Bizce finds the real flavor in the skillful hands of consumers.
